VOL. LIX:.. No. 16. REDWOOD CITY, CALIFORNIA, SATURDAY, JULY 19, 1919 ESTABLISHED 1859

THE WEEK'S EVENTS IN LOCAL CIRCLES

Henry Marcus, wife and young son, returned from a two weeks' vacation spent at Gilroy Hot Springs on Tuesday. They motored to the resort, returning by the railroad. They had a delightful time.

That gay and noisy crowd that passed through town Tuesday morning on Mr. Woods' tally-ho coach was not a delegation going out to meet and welcome into the state President Wilson, but the Baptist Sunday school on their annual picnic. They were going to Emerald Lake, Redwood's popular outing ground. The coach was packed with young life, filling all seats and hanging on to the sides. Others made the trip in autos, but all got there and had a great day among the trees, in the sand boxes, on the lake and in the lake. Every one declared that Emerald Lake is the right place to go to for a good time.

George C. Ross is at Modesto looking over his large holdings there. He is expected home today. Mr. Ross is president of a company of local capitalists who own a large tract of land there that has been recently placed in an irrigation district which is soon to repay the investor a large return.

Dr. W. O. Stuttmeister departed on his annual vacation of a month on Thursday. He will spend this short respite from labor at his ranch in Marin county. The doctor is a hard worker and has richly earned his outing. He is the pioneer dentist of the peninsula and naturally has a very large clientile among whom are the most prominent people of the county.

Mrs. David E. Graham has been appointed organizer for Redwood City's branch of the Woman's Irish Educational League. She will be here in a few days to organize the league. The fee for joining is 25 cents a year. Anyone believing in the right of Ireland to her freedom is eligible to membership.

Marie Uhlenberg, chief stenographer for the Pacific Gas and Electric Light company of this city, has resigned her position. The young lady contemplates taking a lengthy vacation.

Leland Beck arrived home from overseas yesterday after spending a year with the motor transportation service of the army. He was engaged in this work just before the armistice was signed. He left here in 1918 for Camp Lewis.

A. J. Carleton, one of the gardeners at the courthouse grounds is taking a well-earned vacation of two weeks at Gilroy Springs. His place has been taken temporarily by William Flannagan, the landscape gardener of Menlo Park.

Miss Edith Carleton, a stenographer for the Pacific Gas and Electric company here, has resigned her position to take a very lucrative place with a big mercantile house in San Francisco. She will assume her new duties on the first of the month. Miss Carleton is an expert stenographer and type writer and is a graduate of the local high school.

BUTCHERS SUES TO RECOVER ON BOOK ACCOUNT

Louis T. Casaretto and G. B. Merrill has commenced an action in the superior court against Theo. Marcopolis to recover the sum of $375.74 for meat furnished defendant during the two years last past.

WILBUR H. DOXSEE BACK FROM OVERSEAS DUTY

Wilbur H. Doxsee retured from overseas on Tuesday and spent Wednesday with his relatives here. He was demobolized at the Presidio yesterday and after a short vacation will assume the duties of his new position as teacher of mathematics and physical training at the Lick-Wilmerding school at San Francisco on August first. Mr. Doxsee spent one year in France with an engineeering company. He was a master engineer, senior grade, when he left Langres, France, for his beloved California. Mr. Doxsee left here with a San Mateo county contingent for Camp Lewis on October 3, 1917. Before going overseas he spent some time at Camp Meade, Baltimore, Maryland. He assisted in building a number of thoroughfares in France over which the soldiers went to the front. He tells many thrilling stories of his experiences in France. Mr. Doxsee is delighted to get home. He has been waiting since May 22 to get back, there being no transportation facilities to get the boys home and they all longed to get back to home and mother.

Mr. Doxsee is a graduate of the local high school and the Stanford University. He was teaching in the northern part of the state when he enlisted.

SOUTH CITY ENTERPRISE SOLD TO FRESNO MAN

Announcement wa smade this week that the South San Francisco Enterprise, the weekly paper published at South San Francisco, has changed ownership. D. E. Curley, who some time ago purchased the interests of Judge E. E. Cunningham and E. I. Woodham, has sold his interest to Robert Speed, a newspaper man of Fresno, who will become the principal owner and editor of the paper. W. J. Martin will retain his interest in the paper and plant.

Speed has been valley editor of the Fresno Herald for a number of years and is a newspaper man of experience. He is married and will bring his wife to South San Francisco where they will make their home.

FAMOUS WOODRUFF INN HAS CHANGED MANAGEMENT

Henri A. Devere, proprietor of the Woodruff Inn, of La Honda, has sold his interest in the concern to F. B. Curtis, better known to his friends as "Uncle Ben." He is well-known in and about La Honda and is very popular. He will conduct an excellent resort, making a specialty of catering to dinner parties. Mr. Devere has made many friends while proprietor of the place. He gave the public a splendid service.

When asked by a Times-Gazette man yesterday the reason why he sold his interest he replied: "You see since prohibition went into effect I could not do justice to the public in serving French dinners without wine, then I was prevented by law in using liquor in preparing the toothsome viands that go with such delicious dinners. I concluded under the circumstances to retire."

Mr. Devere was very enthusiastic about beautiful La Honda, its surroundings, climate and people and did a splendid business but he decided to retire. He will engage in some mercantile business in San Francisco. Mr. Devere had been the agent for the Chauche Bon Mont Rouge wine for over ten years. Mr. and Mrs. Devere carry with them to their San Francisco home the best wishes of the people of the peninsula.

BIG MASS MEETTING THURSDAY TO DEVISE A MEANS OF SETTLING THE LOCAL TELEPHONE STRIKE

That the people and business men of Redwood City are behind the striking operators was fully demonstrated at a rousing meeting held in Forester's hall Thursday night, called by the unions and merchants. The hall was crowded with an enthusiastic gathering that showed by loud cheering their sympathy for the young women of the telephone company who are only asking for a living wage. Mrs. Edison, the San Jose organizer of San Jose ,was the first speaker. She aroused considerable indignation when she told how the telephone girls were treated by the company in large cities. She made an eloquent appeal to the business men to give their support to the strikers. D. R. Stafford on behalf of the business men delivered a rousing speech in which he urged the young women to stand firm in their demands and not to compromise, that the people were behind them and would give them every support. Trustee M. E. Ryan also made a splendid address asking the business men and others to give the girls their unstinted support in their struggle for justice and right. He made a strong appeal to the women to stand firm, that their demands were just. Mayor Carl Mabie, in a brief address strongly urged all to give the operators every aid possible in their noble struggle for right. G. B. Merrill was a strong advocate of the strike, urging the strikers to stand together and that victory would come to them. Others made strong addresses in favor of the women. Miss Margaret Adams representing the strikers told how one of the guards at the telephone building had kicked her on the shins, that his name was W. E. Krise. He was arrested and let go on a cash bond of $250 by Judge Ray Griffin. He pleaded guilty and his trial was set for next Wednesday. This statement caused much bitterness among the sympathizers of the strikers. A telegram was sent by the chairman of the meeting to President Wilson asking him to intervene and grant the demands of the ladies.

When funds were asked for to aid the young women a shower of coin was the response. A large sum of money was raised and the following committee was appointed to solicit further funds: B. C. Zimmermann, J. Hedge and M. E. Ryan.

There are a number of women at the local switchboard but the business men are not using the telephones and will not until such time as the operators win the strike and are given a fair wage.

CITY BOARD OF TRUSTEES ACT ON SOME IMPORTANT MATTERS

The City Board of Trustees met Monday evening to act upon a few measures laid over from the last regular meeting.

A communication from the Peninsula Oil Burner Co. of San Mateo, relative to a heating plant for the city hall, the present plant being inadequate. The clerk was instructed to communicate with the Oil Burner company and ask for a representative to be present and explain the workings of the plant at a future meeting.

On motion Mayor Carl K. Mabie and City Clerk W. A. Price, on behalf of the town, were authorized to enter into a contract with Dreyfus Bros., to construct the Maple street sewer Dreyfus Bros. were the successful bidders.

On motion City Clerk Price was authorized to advertise for bids for the construction of the outfall sewer system, the bids to be opened on July 30 at 7:30 p. m.

The financial firm in San Francisco, that bought the city bonds, authorized at the last special election amounting to $120,000, notified the board that all papers had been carefully examined and found correct and that the bonds would be printed and forwarded with a few days to be signed by the Mayor and Clerk. The money will be turned over to the several funds by about August 1.

The legal work is being handled by City Attorney Albert Mansfield who is giving the matter his careful attention.

It appears that some little difference of opinion exists between the city purchasing agent and the members of the board. This office was created for the purpose of checking up the claims against the city as they are presented for the convenience of the financial committee and not for the purchasing of supplies. It is probable that this office will be dispensed with in the near future.

City Engineer C. S. Dimmitt is preparing plans for the concrete bridges to be built in several parts of the city. These plans will be ready about the first of August.

Painting and renovating some of the old, unsightly buildings in the business district should be hand-in-hand with the new municipal improvements. It would impress upon the mind of the visitor that the town was progressive and the business men had confidence in the future of the town. With clean, paved streets, nice walks and beautiful lawns the matter of painting and renovating should be taken up by the property owners as a matter of pride.

IRENE HOWLAND BEGINS ACTION FOR DIVORCE

Irene Rowland, through her attorney, John D. Willard, has brought an action in the superior court against her husband, Elmer M. Rowland, for an interlocutory decree of divorce on the ground of extreme cruelty. The Rowlands were married at San Francisco on January 17, 1914 and separated on July 3, 1919. They have a minor child, Ruth Rowland, aged 19 months. The community property consists of the family home on Hudson street, Redwood City, valued at $3,500, furniture worth $250 and an automobile valued at $500 and an acre of land in Oak Knoll Manor. Defendant earns $200 a month. Mrs. Rowland asks for the custody of the minor, attorney fees and $75 for the support of herself and child.

ROBERT E. COGDON ESTATE IS APPRAISED

H. C. Tuchsen, inheritance tax appraiser of the estate of Robert E. Congdon, deceased, his filed his inventory and appraisement. The estate is appraised at $364.90. It consists of cash amounting to $118, seven acres of land at San Diego valued at $50, a lot at Long Beach valued at $100 and liberty bonds and war stamps.

K. OF C. CHAPEL PURCHASED BY CONGREGATIONALISTS

The Congregational Conference of Northern California has purchased the chapel and adjoining building of the Knights of Columbus recreation hall at Camp Fremont and has moved them to a site in the Boyd and Kent tract near Five Points to be used as a mission church for the benefit of those residing in that rapidly growing district. The church will be under the supervision of the First Congregational church of this city, Rev. C. H. Stevens, pastor. The buildings were placed in position during the week and carpenters are busily engaged in repairing them so that services will be held in the chapel within two weeks. The other building will be used as a recreation hall and for Sunday school services. Both buildings will be connected by a neat hall-way. An itinerant minister may be secured to hold services every Sunday, thus relieving Rev. Stevens who has to give all his attention to his own duties as pastor of the First Congregational church. The residents of the Boyd and Kent tract hail with delight the coming of the little church which means so much to the social and spiritual life of that live community.

WOODSIDE NOTES

Mr. Doxsee, the artist, has been awarded a contract by the local trustees to paint the inside and outside of the grammar school The trustees could select no better man for the work. Mr. Doxsee is well-known all over the state for the artistic work he does.

Mr. and Mrs. Fred Mighall and Mr. and Mrs. George McArthur have motored to the springs to be gone for two weeks.

The highway leading from the Woodside Inn to Portola is being repaired by Frank Johnson. When the work is completed it will be one of the finest roads in the county, thanks to our enterprising supervisor, John MacBain.

Notwithstanding the high prices of material and labor there is more building going on at Woodside than any other place in the county. Contractor F. H. Mowwe has all the work he can possibly do.

Weeden Brothers of Menlo Park, are doing considerable repair work at the Diamond home at Portola. Mr. Diamond's place is one of the show places of the county.

A. J. Welch has disposed of his Gurnsey herd of registered cattle to Mr. Tichenor of Stanford. Mr. Welch will retire from the cattle raising business. The herd was composed of about 60 registered stock. Many thousand dollars were paid for the herd as it was considered the finest in the state.

Miss Margaret Fahey, a San Jose Normal School graduate, and resident of San Francisco, has been appointed principal of the Woodside grammar school and Miss Ellen F. Moore of Berkeley and a graduate of the Normal School at San Francisco, has been appointed a teacher of the primary department of the school.

Miss Alice Gallagher, a teacher at the Portola school, has gone to Los Angeles to visit her sister, Mrs. Barneson. The young ladies were formerly the Misses Hammerson of Belmont.

William J. Glossbrener, who was arrested at Woodside two weeks ago on telegraphic advices from Louisville, Kentucky, stating that he was wanted for the embezzlement of $40,000, is today en route to Kentucky in custody of Detective St Claire, who arrived in Redwood City Wednesday from Louisville to get the prisoner. The Kentucky detective remained in Redwood only a short time and then started the homeward pourney with his prisoner.

Glossbrener is wanted in Louisville for the theft of $40,000 from the C. C. Bickel company, cigar manufacturers and importers, by whom he formerly was employed. About July 1 Sheriff Michael Sheehan received word from Chief of Police L. F. Petty of Louisville that Glossbrener was believed to be in hiding somewhere near Woodside. As a result the much sought man was arrested by Under Sheriff H. W. Lambkin at Woodside, where he had been employed for about three months as an accountant.

When taken into custody, Glossbrener attributed his downfall to failure to heed the counsels of his wife.

"She was an angel and I was a fool," he said. "If I had taken her advice, I never would have gotten into this mess."

Glossbrener blamed his plight on a woman, who is now in San Diego but whose name he refused to divulge. He also declined to say what he had done with the stolen money, although admitting the theft.

G. Y. BOLLINGER REPORTS VERY LARGE WHEAT CROP

G. Y. Bollinger, the wide-awake farmer, has a bumper crop of wheat on the Sweeny ranch this season. With a big combined harvester which cuts and threshes the crop at the same time began work of harvesting this week the 300 acres of the finest wheat crop ever seen on the peninsula.

Mr. Bollinger will probably receive over $20,000 for the large crop. Last year he secured a similar crop. A portion of the Sweeny ranch has been leased for tomatoes and the crop this year is exceedingly large. Mrs. Pescia, owner of the choice holding, sunk a well last March that produces over 1000 gallons a minute. The water is used for the tomatoes and irrigating the alfalfa on the ranch. The soil of the Sweeny ranch is without doubt the richest in the county, any vegetation will grow luxuriantly on the land, as it is low and moisture is close to the surface.

It was formerly the holding of the late Myles D. Sweeny, who took a great interest in the property and was proud of its possession. It is now owned by his daughter, Mrs. R. A. S. Pescia.

SAN MATEO COUNTY KEEPING APACE WITH PROGRESS OF RECONSTRUCTION PERIOD

As an indication of the demand for San Mateo county real estate it may be stated that both abstract offices in Redwood City are going night and day to keep up with the work caused by the number of real estate transactions taking place in the county. The George H. Rice Abstract Company has all the work it can do. Mr. Doxsee, the manager, says that his business has doubled since the first of the year. He has had to increase his working force. The California Pacific Title Insurance Company is doing such a large volume of business that recently three new stenographers had to be employed to keep up with the work. Seven persons are now employed in the big office. This is a sure sign that the people of the state have their eye on the peninsula and are anxious to make their home here, the place where sunshine and happiness prevail.

WHO KNEW ELISHA A. MORSE?

Mrs. Elizabeth M. Nash, the county clerk, received a letter yesterday from Mrs. George Morse of Brighton, Colorado, asking information concerning Elisha A. Morse who resided somewhere in California between 1849 and 1876. He dropped dead during the latter year leaving a large estate. He died at the age of 104 years. Mrs. Morse desired to know if his estate was probated in this county and if he paid taxes in the county. Anyone, now living, knowing anything about Elisha A. Morse may convey such information to Mrs. Morse.

500 HIBERNIANS ENJOY BANQUET AT LA HONDA

Over 500 Hibernians from San Francisco who are attending the annual convention of the society from all parts of the United States and Canada banqueted at Bonzagni Lodge at La Honda on Thursday. Many prominent men from various portions of the country were in attendance. One hundred and twenty-five automobiles conveyed the delegates from the city down the peninsula to La Honda. The banquet was the most elaborate and tempting of any ever given in the country. Irish colors and banners were in evidence all over the hall. An orchestra furnished catchy music. On leaving the delegates complimented Mr. Bonzagni for the splendid banquet and the manner in which they were entertained.

SENATOR HIRAM W. JOHNSON MAKES A PROMPT REPLY

On Monday afternoon the supervisors wired Senator Johnson concerning the removal of the base hospital at Menlo Park and on Thursday evening County Clerk Mrs. Elizabeth M. Nash received the following telegram from the Senator. His promptness in the matter shows the interest he has, regarding the wishes of his constituents.

Washington, D. C., July 17, 1919
—Mrs. Elizabeth M. Nash, Redwood City: "Have taken up matter of removal of Base Hospital with Public Health Service and will advise you when I receive reply."

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, July 14, at 10 a. m., there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

C. H. Williams in behalf of the residents of Menlo Park and vicinity, presented a petition signed by over one hundred residents and property owners of the Menlo Park-Palo Alto district vigorously protesting against the proposed plan of the United States Public Health Service to permanently continue the Base Hospital at Menlo Park and the making it into a tubercular institution.

In speaking in support of the petition, Williamson said that during the war the people residing in the vicinity of the hospital were willing to put up with the inconveniences caused thereby on account of their patriotic desire to aid the Government in every way to win the struggle but now that the war is over, they felt that the hospital should be no longer kept where it is and that there were much more desirable sites for the institution than the present one.

Other speakers in behalf of the petition and in favor of moving the hospital to some other locality in the county were: E. H. Nutter, W. P. Weir, C. M. May, A. C. G. Hahn, Dave Walter, Geo. H. Irving and Alfred Seale, the latter representing the Palo Alto Chamber of Commerce which body, he explained, had adopted resolutions against permanently locating the hospital in Menlo Park.

A telegram opposing the plan was also read from Archbishop Edward J. Hanna of San Francisco, who spoke in behalf of St. Patrick's Seminary which is located within a short distance of the Base Hospital.

Supervisor Hickey addressed the board in the matter and said that it must not be forgotten that a great debt of obligation is owing the boys who had sacrificed so much on the battlefields of France, and while he was opposed to the establishment of a tuberculosis hospital in a residential district, yet he felt that hasty action should not be taken. He suggested that the board appoint a committee to take up with the Government the question of securing another site.

Supervisor Brown also spoke about the necessity of looking after the welfare of the returning soldiers, but said he was opposed to any plan for keeping the Base Hospital for a tubercular or insanity institution.

Supervisor Thompson said he was in favor of selecting another site somewhere in the foothills for the hospital, as did also Supervisor Francis. The latter suggested that the committee proposed by Supervisor Hickey include representatives from the interested district and also from the Palo Alto Chamber of Commerce.

Chairman MacBain said he was opposed to any delay in the matter. He stated that he understood that active influences were being used to get the Government to buy the Base Hospital property and if the sale were once made, it would destroy any hope of ever having the hospital moved.

"If you gentlemen who presented the petition, will prepare a resolution to be sent to the Government authorities protesting against he continuation of the Base Hospital in the Menlo Park district, I will vote for it and I am satisfied that all the other members of the board will do likewise.

The committee said they would have such a resolution prepared and ready to present before adjournment of the board. Later in the meeting, the committee presented the resolution, which was unanimously adopted on motion of Thompson, seconded by Francis.

The resolution was ordered wired to Dr. Rupert Blue, surgeon general of the U. S. Health Service at Washington and also to United States Senators James D. Phelan and Hiram Johnson.

A communication was received from J. A. Donohoe of Menlo Park, protesting against the action of a Redwood City house moving concern in cutting trees along Ringwood avenue in order to make room for moving a house from Camp Fremont.

Chairman MacBain stated that he had made an investigation of the above matter and had found a number of large limbs cut off from the trees. He had ordered the contractor, he stated, not to proceed any further with the moving of the house until permission was given him.

District Attorney Swart, who was present at the meeting, said there is a county ordinance forbidding any person to cut trees on the highways without 1rst securing a permit from the supervisors.

On motion of Thompson, seconded by Hickey, the board directed the sheriff to officially notify the contractor that he will be held responsible for any damage he might do to the highways or any person's property in moving the building.

A communication was received from the Social Service Commission making recommendations for granting county and state aid in certain worthy cases and in withdrawing and decreasing aid in other cases. The report was accepted, on motion of Brown, seconded by Hickey.

In compliance with a request made by the board at the last meeting, County Surveyor George A. Kneese submitted a report on the estimated cost of repairing a portion of the new road from San Gregorio to Tunitas. He stated that about one-half of the stretch was in very bad condition and must be rebuilt and estimated the cost, including the construction of numerous drains along the road at $3900.

William A. Moore, John Souzt, William Deeney and P. Mattei, all of the coastside, were present at the meeting and protested against the abandonment of the above road in favor of the old road, estimates for the repairing of same having been presented at the last meeting of the board.

Following the hearing of the protests, Chairman MacBain announced that further hearing in the matter would be held at the meeting of the board on July 21.

Following a report by County Surveyor Kneese, and on motion of Hickey, seconded by Thompson, Supervisor Francis was given permission to repair with oil surface a mile of roadway in his township near Halfmoon Bay, the estimated cost of which was $1000.

Supervisor MacBain, on motion of Hickey, seconded by Brown, was given permission to secure bids for oiling the Mountain road near Searsville.

On motion of Thompson, seconded by Francis, the bid of A. Mattson of $11,427.50 for the construction of the concrete bridge across the New Years Creek below Pescadero and submitted at the meeting of July 7, was accepted, Mattson's bid being the lowest received for the work.

The report of County Auditor J. J. Shields showing the amount of money that can be drawn against the several funds of the county during the month of July, was received and ordered filed.

A claim of August Lueger for the sum of $32 was ordered rejected, on motion of Thompson, seconded by Brown, it being found that there was a duplicate claim for the amount already filed.

A claim of Mark G. Wood ,member of the County Board of Education for the sum of $182.75 and being for mileage was ordered referred to District Attorney Swart for a written opinion, on motion of Brown, seconded by Thompson.

The regular monthly claims as passed by the finance committee were ordered allowed, on motion of Thompson, seconded by Hickey.

The Alvin S. Hatch family and the Dr. J. C. McGovern family of South San Francisco ,are camping at the Hatch mill during the summer.

The departure of the Airdale kennels from Moss Beach brings joy to all here. If anything puts the heart crosswise in folks it's a bark from one of these ferocious beasts. They are to locate at Elk Grove. Goodbye!

Senator M. B. Johnson returned on Friday afternoon from an automobile trip to Santa Cruz in the interest of the Skyline boulevard. The weather was so extremely warm through the Santa Clara and Salinas valleys he was glad to get back into the sea breeze of Montara.

Miss Irma Hazard, teacher of the Montara school, who is visiting her sister and brothers at San Luis Obispo, expects to return within the next few weeks. She writes: "There's no place like Montara, after all." Miss Hazard is a beautiful and charming girl and comes of one of the oldest and finest families in the United States. Her paternal grandfather was State Senator for thirty years, and United States senator during the remainder of his life. Point Judith and the Island of Newport were deeded by the crown to the Hazard who came over in the Mayflower, and members of the family have had their homes there ever since. Neevrtheless, the young lady has plenty of good American fighting blood in her veins—one of her immediate ancestors being none less than Commodore Oliver Hazard Perry, who in the memorable battle of Lake Erie, nailed his flag to the mast.

A welcome-home dinner party was given at the Debenedetti home in honor of Attilio J. DeMartini, a cousin, who has just returned after twenty months in the army, eighteen of which were spent overseas with the 148th Feld Artillery. This regiment fought in the following battles: The Champagne-Marne defensive, the Ainse-Marne, the St. Mihiel, and the Argonne Meuse. Among the guests were Chas. Wyman of Redwood City and Wm. McGrath of South City, both members of the 148th.

L. C. Iverson of San Francisco was in this section Thursday looking over the horsebean crop. He is a buyer for a commission house which handles farm products.

County Surveyor Geo. A. Kneese of Redwood City made the coastside an official visit one day during the past week.

News has been received in Halfmoon Bay that the Railroad Commission has decided in favor of the township in the suit that was brought several months ago to compel the local water company to furnish good pure water, and plenty of it, to its consumers. For a number of summer seasons the town has had a hsortage. At the present time the management of the water company's affairs is in he hands of Wm. Misner and he says that his fellow citizens are going to be treated right, which has not been the case for several years. Mr. Misner's word is as good as gold, and the town will get water if it is in human power.

Frank Muti, barber, has gone to Boyes Springs to spend a month's outing. His brother, Matt, has charge of the barber shop during his absence.

THE LOAF SEEMS BIG

when it comes from our oven. But just note how rapidly it will disappear when it appears on your table. You never knew before how big bread eaters your family could be. That's because our bread has a real flavor and toothsomeness. Try a loaf and you'll enjoy it as you never did bread before. Pies and Cakes.

PEPTONA

WILL HELP YOU

Often times persons who are recovering from sickness have difficulty in recovering their strength.

PEPTONA, our best tonic, will be found very helpful. It contains tonic and strength building principles to aid in enriching the blood, in assimilation of food and building general strength.

It is pleasant to take, and the ingredients are so combined that they are easily assimilated even by very weak stomachs.

SAN CARLOS NOTES

Mrs. Jess T. Bamfield and Master Jack, from Oakland are at Laurel Neek for the next six weeks.

Mrs. L. C. Zook and children have returned home from a week's visit with Mrs. Zook's parents at Pescadero.

There should be a large attendance at our next community meeting when a prominent improvement association of some sort will be effected and permanent elective officers will lbe elected.

Miss Carrie Beveridge from San Saba, Texas, while on her tour of this part of California will make her headquarters at the Hurlbut Apartments, in order to be near her uncle, Mr. Jas. LaFayette McLain whom she had never seen before until her arrival from the Lone Star state last Sunday morning.

Mrs. A. L. Conklin and her three children have returned from a fortnight's visit with her parents at Piedmont. Since Mr. W. H. Fuller has sold the property which he has leased to the Conklin's for the past four years Mr. Conklin is now negotiating with Mr. Drake of the land company for a suitable site on which to erect a permanent home.

Up to date the phone company haven't succeeded in establishing any of their imported scabs or detectives in our little city owing to the fact that our radical unionist mayor hails from Kentucky where they eat these kind of people for breakfast.

W. S. Mallock who has been employed by the Morse company in their trial gardens here has resigned his position and returned to his home in Berkeley.

With the exceptions of Mr. Boyd and Miss Vera the enetire Boyd family are taking it easy at Brookdale for the next two weeks. Mr. Boyd and Vera drop down for the weekends.

During his school vacation Maury Cowgill is working for the S. P. Co. at the Fourth and King freight sheds under Mr. W. A. Westington the popular freight agent who was agent at Redwood some years ago.

Miss Marian Johnson is spending her vacation, while absent on leave from the S. P. Co., at her home here going to the Santa Cruz beach for the week-ends.

Mrs. Carmalita Brittan Kendall and the twins, Masters Nat and Bert, left last week for a six weeks' auto trip through the Sierras and Shasta regions. They will sojourn for a time at Lake Tahoe and from there they will proceed to Crater Lake, stopping at the various resorts en route.

Mr. R. B. MeNabb who recently exchanged his property at Easton for the property at the corner of Holly and Walnut has awarded the contract to Architect Louis H. Hurlbut for the construction of a modern and commodious bungalow which he will move his family into as soon as completed. Mr. McNabb is connected with the composing department of the Chronicle.

Mr. Adolph Kunze who is connected with the chemical works at Redwood has moved into the Powers' Apartments here, which were recently vacated by Claud L. Ziegler and family when they left for an auto trip to their old home in Portland, Oregon.

Mrs. Harriet B. Livermore is planning to build an up-to-date bungalow on the corner of Walnut and Cherry streets, opposite the Haydock residence. This will make the eleevnth home built in San Carlos this season with still more in prospect. We anticipate that many people who will be employed at the various industries in Redwood will choose San Carlos as a residential district in order to get away from the noise and dust of the various factories located at the county seat.

Mr. and Mrs. Thomas E. Nichols of the Mayfield News in company with their friend Mrs. Orr were visitors at the Cowgill home last Saturday.

The Misses Genevieve and Bessie O'Brien are here during the school vacation and have established their camp on their property in the Highlands district.

Mr. and Mrs. D. L. Stewart left last Thursday for an auto trip into the Yosemite and will be absent about three weeks. Mr. Stewart's mother has come down from San Francisco to take care of their home during their absence.

Merrit R. Hosmer returned home last Wednesday from an extended auto tour with his school chum, Douglas Watson in the southern part of the state.

The Stubbe Chicken Ranch of Mayfield have found San Carlos a splendid market for the output of their splendid plant, as nearly every family has gone into the chicken business to a greater or lesser extent, and all have had splendid luck with the Stubbe chicks.

The triple young Misses Murphy's have come down from San Francisco to enjoy their vacation with Papa at their bungalow in the Highlands.

Merrit R. Hosmer is the only student from San Carlos who will enter Stanford at the coming semester. It is reported that seven out of eight who graduated in Merritt's class will enter Stanford with him. This is splendid showing and speaks well for the ambition of our young Americans in their quest for the higher education as a stepping stone to better things.

ELOPERS WERE MARRIED IN THIS CITY LAST MONDAY

On Monday afternoon Judge Ray Griffin married Salvador Scaletta, aged 22 and Miss Anne Carruba, the 14-year-old daughter of Mrs. Anne Carruba of San Jose. The husband is sought by the state police for child stealing. It is alleged that Scaletta persuaded the child to elope with him. They abtained a marriage license here, the boy giving his age as 22 and the girl as 18. According to the complaint filed against the youthful husband the girl disappeared from her home on Monday morning, failing to return from her work at a tannery. Scaletta is a farmer residing near San Jose.

Judge Griffin believed the couple had reached legal age and married them.

WILL OF S. C. DENSON FILED

The last will and testament of S. C. Denson, who died on July 26, 1917, has been filed for probate by Laura A. Denson, the widow. The estate is valued at $20,000. Henry B. Denson is named with his mother to act as executor but he has waived his right to act preferring his mother to act as sole executrix. She has asked for letters testamentary. The legatees are: The widow, Henry B. Denson, son, Mrs. Mary B. Lindley, a daughter, residing at Sacramento and Laura G. Mott, a daughter, living at Oakland.

MARK G. CURTIS BRINGS SUIT FOR DIVORCE

Mark G. Curtis has brought an action in the superior court against his wife, Elsie M. Curtis, for an interlocutory decree of divorce on the ground of extreme cruelty. The Curtises were married at Oakland on February 18, 1904. They have two minor children and community property worth $1500 which plaintiff is willing to give defendant. He is also willing to give her the custody of the minors. Frank A. Devlin and Maurice T. Dooling Jr. are the attorneys for plaintiff.

S. CROZIER ESTATE APPRAISED

H. C. Tuchsen, inheritance tax appraiser of the estate of Samuel Crosier, deceased, has filed his inventory and appraisement. The total value of the estate is placed at $51,016.07. It consists of cash amounting to $766.07 a parcel of land on Broadway, San Francisco, appraised at $50,000, lots in San Diego valued at $100 and property at Sonoma worth $150. Mr. Crosier was a resident of Redwood Highlands at the time of his death. The entire estate is left to an only son, Samuel Crosier, the well-known real estate broker who lives in Redwood City.

Satin Egg Shell Finish

RECONSTRUCTION!

Now, while the world is doing its "house cleaning," is a good time to begin a "reconstruction period" at home.

Whichever room you start with you will find need for B-H Satin Egg Shell Finish. Although intended for walls and ceilings it makes a beautiful egg-shell enamel on woodwork too. The Kitchen—Library—Bedroom—Hallway or Bath can be made brighter, more attractive and easier to keep clean by a coat of B-H Satin Egg Shell finish—any one of twelve shades.

Be sure to think of Bass-Hueter when considering a painting job—whether a room or an entire house—inside or out.

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

A Word From Overthere

Redmond Cochran, young son of Mr. and Mrs. Thomas Cochran of Menlo Par, who has been connected with general headquarters at Chaumont, France, for the past two years writes to his father after a recent vacation trip to the battlefields of France:

I have been keeping the hard cushions on the Est R. R. line pretty warm lately, being to Paris for three days, about two weeks ago, and then last night I was at Paris again and also up by way of Chauteau-Thierry to Rheims. This latter trip, although quite tiresome, was sure worth while. I left here at midnight Friday morning arriving in Paris around 6 a. m. Saturday morning. I then transferred to another train for Rheims which pulled out at 7 a. m. During this hour I managed to get a cup of chocolate and a sandwich as I felt a little better. About 10 a. m. we pulled into Chauteau-Thierry, a desolate looking place with nothing but locomotives standing around but it has the name now and that's what counts. And look who gave it the big name. Honestly it is impossible for anyone to realize how near Paris the Germans did actually get until they made this short run to Chauteau Thierry.

After passing this place one passes from the beautiful green hills and valleys, which haven't a mark of war into a country that has been shot to hell. You pass village after village and there is not one which can boast of having one house that has not a shell hole in it. Everything is completely demolished and scarcely a human being is to be seen. There happened to be one old woman on our train and in the same compartment as I, who got on my nerves. She was a little off and later our interpreter told me she had owned a fine place in that part of the country but when the Germans came they drove her out and destroyed all she owned. It all finally drove her a little out of her head. But he says she still craves for the place and so she may always be seen making this trip to her old home town.

Along the hillside trees which have been shot to pieces are bare as rocks while others which are not so badly damaged are once more sending forth their green leaves and buds.

Then after another considerable distance, all through this shot-up country ,you come to the outskirts of the famous city of Rheims. On its outskirts you can see the network of trenches, which were held by the French during the terrible fight for the city. Here and there may be seen barb wire in quantities beyond ones imagination and also every sort of contrivance such as stakes, pickets and long steel rods pointed on the ends which are almost impenetrable when covered by machine guns. Then as you lift your eyes to t hehorizon, it is really a horizon because every building, house, and tree has been leveled, stands the world's famous cathedral. At first you wonder, how on earth it ever stood in its condition under the awful German fire.

But after you leave the train and winding in and out from one street to another among the ruined houses you finally come right up fore to fore with the cathedral and at once you are reminded of a sieve. No one knows how many shells ever hit it, but we do know all those that hit were well aimed shots while the few others must have been due to defective powder or something like that. I was listening to a captain who said a number of the shells landing on the cathedral were examined and nearly all were of that type used for laying low huge husky structures as the cathedral appeared to be, but due to the particularly thin walls and the materials they were made from, the shells went right on through, merely making a hole. A large percentage of incendiary shells were also found so you may readily judge that this old idea that the Boche tried to spare the cathedral is all fake. Then when you look around there isn't athing that hasn't been blown to the devil. Not a thing was spared. Here and there you may see a little store or a house that has been opened up again in spite of its tumbled-down condition.

From here we took a buss ride out about ten or fifteen miles into the battlefields. "No-man's Land" don't mean a thing until you have seen it. For as far as the eye can reach in any direction you can see nothing but devastation, barb wire, trenches and camouflage. It is sure impossible to concieve the greatness of the thing and then again to think of the lives that were lost right there on the spot. As you go along the road you can see here and there little clusters of graves with rude crosses and a slight word of identity. They are now adorned by beautiful poppies, unlike our own in that they are firey red, being nourished, I suppose, by the blood of thousands of heroes who are sleeping their last sleep below them.

After a tour over the field, through trenches in dugouts, etc., we decided we had seen enough and so started back to Reims with one wonderful appetite. We got in a little joint there and got a couple of pieces of war bread, between which a rather careless dame slipped a slab of fat ham, anything but appetizing in the U. S. A., but fit for a king in this God-forsaken place when he's hungry. Then a glass of black coffee into which she dropped a piece of sugar as big as a pin head and I was ready to satisfy my hunger.

Yep, Pop, I can eat anything, anytime, anywhere, nowadays. Can't phase me. So quite satisfied I got up and went over to the station and got a train for Paris. It is an unwritten rule among fellows over here never to waste any time which may be spent in "Gay Paree," so I was soon on my way to the city of cities.

I won't write any further on all that happens here, but listen, Pop, it was sure a wild time.

Next morning when I walked in the office a fellow said, "Say Corky, I was in Paris yesterday and a sailor stopped me and asked me if I knew you." He then gave me a note, this sailor who was no other than Rex Parker from Redwood and say I guess I wasn't sore to think I had missed him. He was staying at the Y. M. C. A. hotel where I stayed every time I was in Paris except this last time and so I missed him. Pretty tough luck, heh?

Miss Isabel Duff has been appointed a teacher in the Wasco high school, Kern county. She leaves early in September for that place. Miss Duff will have charge of the English and history department and also will have charge of the library of the school. Mr. J. Hill, formerly of the Palo Alto high school, is the principal of the southern institution.

John Gaffney, who has been employed at the utilities department of Camp Fremont for over two years, departed for his former home in San Francisco on Wednesday. He has secured a good position with the San Francisco fire department.

The card party given by the Native Daughters in Trinity hall on Thursday evening was well attended and much enjoyed by all.

The Edward H. Nutter home in Menlo Oaks, better known as the Coleman tract, was sold this week to Charles A. Shurtleff, a prominent attorney of San Francisco who will take possession of the property with his family on the first of the month. The price paid for the property was $25,000. The home is one of the finest on the peninsula.

During the week the Boufreau place formerly owned by George Meekins at Stanford Park was sold to E. Eaton of San Francisco. The property contains several acres of bearing apricots. The consideration was $10,000.

Miss Reba Pearce has been chosen principal of the Las Lomitas grammar school. She is a San Jose Normal graduate and for some time has been teaching at that institution. She takes the place of Miss Mabel Lewelling with Miss Hattie Brand wil depart on July 29 for Honolulu to teach. Both young ladies are San Jose Normal graduates. Miss Bertha Kuck has been re-elected as the primary teacher at Las Lomitas.

The Sig Sterns and the Herbert Fleishhackers have gone to Pelican Lake, Oregon, for a month. They own large properties there.

DISMISSAL OF SUITS

The action entitled Miss Silva Daneri against The Western Sand and Rock company has been dismissed in the superior court. The notice of dismissal was filed in the county clerk's office on Wednesday. The suit entitled Roger Johnson and others against George H. Fuller has also been dismissed.

R. E. STEELE CO. TO DISSOLVE

The R. E. Steele company has petitioned the superior court for voluntary dissolution. At a recent meeting of the company at which nearly all the stock was represented it was agreed to dissolve.

Th capital stock of the company is 875 shares. The principal asset of the concern is the Cascade ranch consisting of over 2000 acres of land near Pescadero. All the debts of the company have been paid. R. E. Steele held a controlling interest in the concern about to be dissolved.

That a double section corrugated iron arch culvert 4½ inches by 33 inches, on concrete base, be constructed on Phelps street at Cassia street, immediately adjacent to curb line on the southerly side of Phelps street, the northerly section or half of said culvert to be 60 feet long, and commencing at the easterly line of Cassia street and extending across the width of Cassia street, and the southerly section or half of said culvert to be 43½ feet long, with one wye branch 4½ inches by 33 inches extending southerly along the easterly curb of Cassia street for a distance of 9½ feet, and also with one wye branch 4½ inches by 33 inches 5½ feet long extending southerly along westerly curb of Cassia street. The ends of said double section culvert and the ends of said wye branches to have concrete inlets.

That a concrete gutter 5 inches thick and 30 inches wide be constructed on the southerly side of Phelps street from a point 5 feet westerly from the westerly line of Cassia street and extending to the easterly line of Maple street. Said gutter to begin at the southerly curb line of Phelps street and extended said width of 30 inches towards the center of the street.

That a concrete gutter 5 inches thick and 30 inches wide be constructed on the southerly side of Phelps street fro mthe westerly line of Maple street to the easterly curb line of Main street. Said gutter to begin at the southerly curb line of Phelps street and extend said width of 30 inches towards the center o fthe street.

That a concrete gutter 6 inches thick and 5 feet wide be constructed on the southerly side of Phelps street across the intersection of Maple street, said gutter beginning at the easterly line of Maple street and extending across Maple street to the westerly line of Maple street. Said 5-foot gutter to be constructed so that when same strikes the curb on both sides of Maple street it shall taper down to meet the 30 inch gutter to be constructed. Said 5-foot gutter shall begin at a line 30 inches northerly from and parallel to the southerly curb line of Phelps street and extend said width of five feet in a southerly direction.

That an 18-inch corrugated iron culvert storm sewer 46 feet long be constructed across Main street beginning at the gutter line at the southeast corner of Main street and Phelps street and extending in a straight line across Main street to a point at the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line were extended in a straight line easterly.

That a 24-inch vitrified salt glazed tile pipe storm sewer be constructed on Webster street commencing at a point at the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line were extended in a straight line easterly, and running thence along a line 3 feet northerly from and parallel to the southerly line of Webster street to the easterly abutment of the concrete bridge on Webster street, said 24-inch storm sewer to be 252 feet in length.

That the concrete abutment of the concrete bridge on Webster street where said 24-inch storm sewer strikes same be opened by having cut therein a 24-inch hole to permit said storm sewer to empty into the creek.

That a concrete storm water inlet 24 inches by 24 inches be constructed with iron cover, at the southeast corner of Main street and Phelps street to connect with 18-inch corrugated iron storm sewer to be constructed.

That a concrete storm water inlet 24 inches by 24 inches be constructed with iron cover, at a point on the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line was extended easterly, to connect with 18-inch corrugated iron storm sewer to be constructed and also to connect with 24-inch vitrified salt glazed tile pipe storm sewer to be constructed.

And said Board of Trustees does hereby determine and declare that said proposed work and improvements, are of more than local and ordinary public benefit, and will effect and benefit the lands and district hereinafter described, which said district is hereby declared to be the district benefitted by said work and improvements, and to have the exterior boundaries hereinafter described as the boundaries thereof; that therefore the entire costs and expenses of said work and improvements shall be and are hereby made chargeable against and shall be assessed upon said lands and district, which district is within the limits of the Town of Redwood City, County of San Mateo, State of California, and the exterior boundaries thereof are particularly described as follows, to-wit:

Beginning at the intersection of the westerly line of Maple street and the northerly line of the right-of-way of the Southern Pacific Railroad Company, thence northerly along the westerly line of Maple street to the common corner of lots 40 and 41 as shown on the Map of the Town of Mezesville; thence easterly in a straight line to the center line of Main street; thence southerly along the center line of Main street to its intersection with the center line of Pine street; thence northerly and along the center line of Pine street to the center line of Cooper street; thence westerly along the center line of Cooper street to the center line of Chestnut street; thence northerly along the center line of Chestnut street to the center line of Phelps street; thence Westerly along the center line of Phelps street to the center line of Main street; thence southerly along the center line of Main street to the center line of Webster street extended; thence westerly along the center line of Webster street to the easterly bank of the easterly arm or branch of Redwood Creek; thence southerly along the easterly bank of the easterly arm or branch of Redwood Creek to the northerly line of the Southern Pacific Railroad Company right-of-way; thence easterly along said northerly line of said Southern Pacific Railroad Comginning, provided, nevertheless, that the streets, avenues, roads and places, situate within said district shall be omitted fro many assessment made or levied for paying the costs and expany right-of-way to the point of bepenses of the above mentioned work and improvements, the said streets, avenues, roads and places belonging to said Town of Redwood City, and being in use in the performance of a public function, to-wit: in use as public streets, avenues, roads and places.

The Map of the Town of Mezesville hereinbefore referred to is of record in the Recorder's office o fthe County of San Mateo, State of California, in Map Book 1 at page 79.

Said work is to be done according to the plans and specifications posted near the council chamber door of the Board of Trustees of the Town of Redwood City and on file in the office of the Clerk of said Town of Redwood City, and heretofore adopted for doing said work and making said improvements by the Board of Trustees of said Town.

Reference is hereby made to Resolution of Intention No. C-9 of said Board of Trustees of Said Town of Redwood City declaring its intentions to order said work to be done and improvements to be made for further particulars, which Resolution of Intention No. C-9 is on file in the office of the Clerk of the Town of Redwood City.

All proposals or bids shall be accompanied by a check payable to the Town of Redwood City, certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions.

All the herein proposed work and improvements shall be done in pursuance of and in conformity with an act of the Legislature of the State of California, entitled, "Improvement Act of 1911," approved April 7th, 1911, and acts amendatory thereof.

Said sealed proposals or bids shall be delivered to the Clerk of the Board of Trustees of the Town of Redwood City on or before 8 o'clock P. M. of Monday the 28th day of July, 1919, said time being not less than ten days from the time of the first publication and posting of this notice.

The Board of Trustees of the Town of Redwood City may reject any and all proposals or bids should they deem doing so to be for the public good.

Dated, July 7th, 1919.

(Seal) W. A. PRICE,
Clerk of the Board of Trustees of the Town of Redwood City.

NEW LIGHT FIXTURES

A NEW HOME

Change your Lighting Effect and Never Tire of the Same Old Room

If your favorite rooms are seeming to lose their attractiveness, change the lighting effect and their charm will quickly return. A new table light here or a floor lamp there, a new lighting bowl, and better still, a complete change of fixture, and you will be surprised how pleasing and comforting the new effect is.

Electrical contractor-dealers have many different kinds of new lighting effects. Inexpensive makes of fixtures are now available with changeable shades which allow a hramonious blend with any kind of an interior decorative scheme. They are easily instailed and have been manufactured to give the maximum amount of service, so you may have confidence the lighting is the best obtainable and the artistic effects all that can be desired.

Nothing increases the cozy charm of an attractive interior so much as proper lighting fixtures and a pleasing lighting effect. Whether your home is now building or has long been occupied the same truth applies.

Ask you electrical dealer or an illuminating engineer how to obtain the most satisfactory lighting results.
